Hi, thanks for the response. It looks like we're getting an earlier flight to miami which will be boarding around 10am if all goes well. If I remember correctly, you open at 10am. If I do not answer my phone, I'm most likely on the plane. If I am on the plane... if possible, could you respond to my questions in my original email and I can give you a call when we land and get settled. Again.. we wouldn't be picking anything up until Friday afternoon at 4PM.

Thanks again,
Brent

Hello,

We are working on the availability of the equipment. We will give you a call first thing tomorrow morning.

Thanks,
Madeline

Hi, we spoke earlier on the phone.. I'm now emailing in our order.

We will have short term insurance for the order. We'd like the weekend rates so we'd be picking things up after 4PM on friday to get those rates. Speaking of pick up.. is there any messenger service available should we need that? Not quite sure how easy we'll be able to get around the city, this is our first time in miami.

as for our order.. we'll be needing the following:

Three(3) x Canon Mark IV bodies
one(1) x 85mm 1.2 lense
one(1) x 50mm 1.2 lense
one(1) x 24-70mm lense

Small order, hopefully everyting's in stock. we're used to doing rentals in our area.. the standard procedure is to fax a scan of my license/credit card.. but I see Budget Video has an online payment option, so how exactly do we go about this if we choose to do the online payment system? Just want to make sure we have all the needed documents with us before we get to miami tomorrow night.

Again, my name is Brent and my number is 859-806-2871 . I have a meeting tonight but hopefully I'll be able to answer your call. If not.. and it's ok with your company.. a return email from you would be just as fine.

Thanks,
Brent Docker
